WHEREAS, the following requirement shall be adhered to:

##### I. Statement of Purpose

The Cash Management Plan is prepared pursuant to the provisions of NJSA 40A:5-14 in order to set forth the basis for the deposit and investment of certain public funds of the Borough of Longport, pending the use of such funds for the intended purposes. The Plan is intended to assure that all public funds identified herein are deposited in interest bearing Deposits otherwise invested in Permitted Investments hereinafter referred to. The intent of the Plan is to provide that the decisions made with regard to the Deposits, Transfers and the Permitted Investments will be done to insure the safety, liquidity, and the maximum investment return within such limits. The Plan is intended to insure that

any Deposit or Permitted Investment matures within the time period that approximates the prospective need for the funds deposited or invested so that there is not a risk to the market value of such Deposits or Permitted Investments.

#### II. Authorized Depositories

The Municipality shall annually designate the legal depositories, funds in certificates of deposits, and other time deposits in banks by resolution in accordance with NJSA 40A: 5-15.1, that must be covered by the Governmental Unit Depository Protection Act, NJSA 17:9-14 et seq. Current Fund

Utility Fund

The following funds shall not be required to be maintained in interest bearing accounts:

Change Funds

Petty Cash Funds

Payroll Funds

Trust Funds – to the extent that the deposit of such

funds to an interest bearing account would require by law the payment of interest to the provider of funds.

Compensating Balances – maintained for the purpose of obtaining specific services from financial institutions. Such accounts shall be established only under terms of written agreements approved by the governing body.

In the absence of the Chief Finance Officer, the CFO's designee is authorized to transfer required funds to the payroll and checking accounts for the purposes of, and to the extent necessary for, issuance of required payroll and payment of claims and payables. Prior to making any such Deposits, Transfers, or any Permitted Investments, such officials of the Borough of Longport are directed to supply to all active depositories or any other parties with whom the Deposits or Permitted Investments are made a written copy of this Plan.

No municipal funds shall be disbursed by any municipal official prior to approval of the governing body except for:

- c. Shall maintain records of all Borough bank accounts, investments, and certificate of deposits.
- d. Shall insure adequate separation of duties between authority to transfer or invest funds and the responsibility for recording in, accounting for and reconciling the Borough's ledgers and other books of account.
- e. Shall provide a monthly report that provides the summary of financial balances for revenues and appropriations.
- f. Shall provide a report that summarizes investment made or redeemed in the past month, each organization holding local unit funds, and the amount of securities purchased or sold, class or type of securities purchased, book value, earned income, fees incurred, and market value of all investments as of the report date, and any other information that the governing body may request or the CFO deems prudent to report.

#### VII. Liability

Provided that local unit funds are deposited or invested as designated or authorized by this cash management plan, the Chief Financial Officer and the CFO designee is relieved of any liability for any loss of such moneys due to the insolvency or closing of any depository designated by, or for the decrease in value of any investment authorized by, the cash management plan.
