Dear Resident:

The Borough of Longport Board of Commissioners would like to inform residents of an upcoming Margate City Promenade Project and a related traffic direction change on Amherst Avenue that is scheduled for completion soon. As part of the project, the City of Margate will make Amherst Avenue one way towards Longport from Washington to Coolidge avenues.

Naturally, we cannot alter any changes the City of Margate establishes within its jurisdiction; however, Mayor Russo, Commissioner Leeds, and Commissioner Lawler would like to hear from residents regarding the Bayfront improvement project and the proposed change in traffic direction.

To help facilitate feedback from the community, a Special Meeting of the Board of Commissioners has been scheduled to be held at 6 pm on Monday, March 29, 2021, at Borough Hall located at 2305 Atlantic Avenue. If you wish to comment on this project and cannot attend, you may call in and voice your concern during the public comment portion of the meeting by dialing +1 (571) 317-3122 and using the following access code: 730-022-557.

In addition, feedback can also be provided by calling 609.823.2731 ext. 100 and leaving a message with your name, address, and concern, or via email at clerk@longport-nj.us.

We look forward to hearing from you.

Sincerely,

A. Scott Porter, Administrator
Borough of Longport
