Company NAIC Number:

If using the Elevation Certificate to obtain NFIP flood insurance, affix at least 2 building photographs below according to the instructions for Item A6. Identify all photographs with date taken; "Front View" and "Rear View"; and, if required, "Right Side View" and "Left Side View." When applicable, photographs must show the foundation with representative examples of the flood openings or vents, as indicated in Section A8. If submitting more photographs than will fit on this page, use the Continuation Page.

No certification is made by this office as to the actual flood opening area in square feet, considering the type of openings shown, unless a certificate is attached. Additionally should any vents, openings, etc. located under decks, porches, latticework or other are obviously not included.
