

Borough of Longport Traffic Advisory

Construction Traffic Pattern Change Effective April 19th and 20th

South Jersey Gas construction will temporarily change traffic patterns in the Borough of Longport on April 19 and 20, 2016. Please note the following and exercise caution when traveling in the area:

Beginning on April 19th construction will close 24th Avenue between Atlantic and Oberon avenues. In addition, the eastbound traffic lane on Oberon Avenue will be closed. Those traveling in the westbound lane will not be affected.

On April 20th, 24th Avenue will be open, but traffic will continue in the same pattern on Oberon Avenue. The eastbound lane will remain closed, the westbound lane will be open.
